Incompass, and surround it;
And as we think of the
Outside world we ask,
Where the hell do we go from here!

SENIOR PICNIC '78

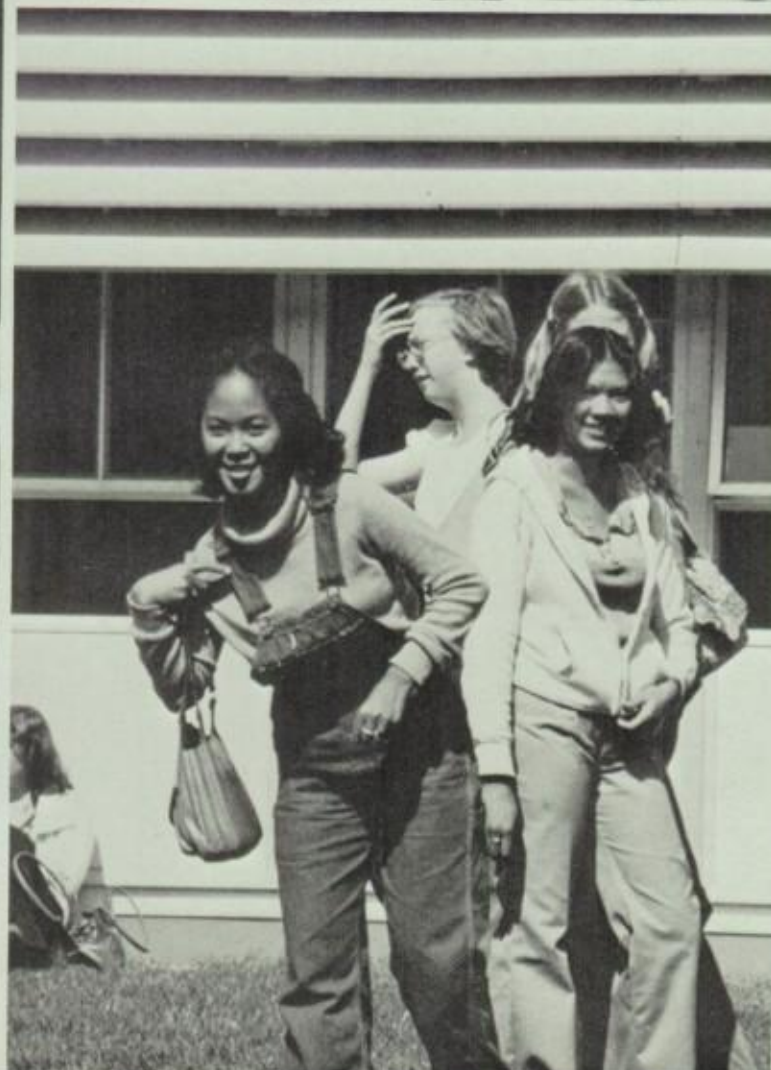

LITTLE HILLS RANCH

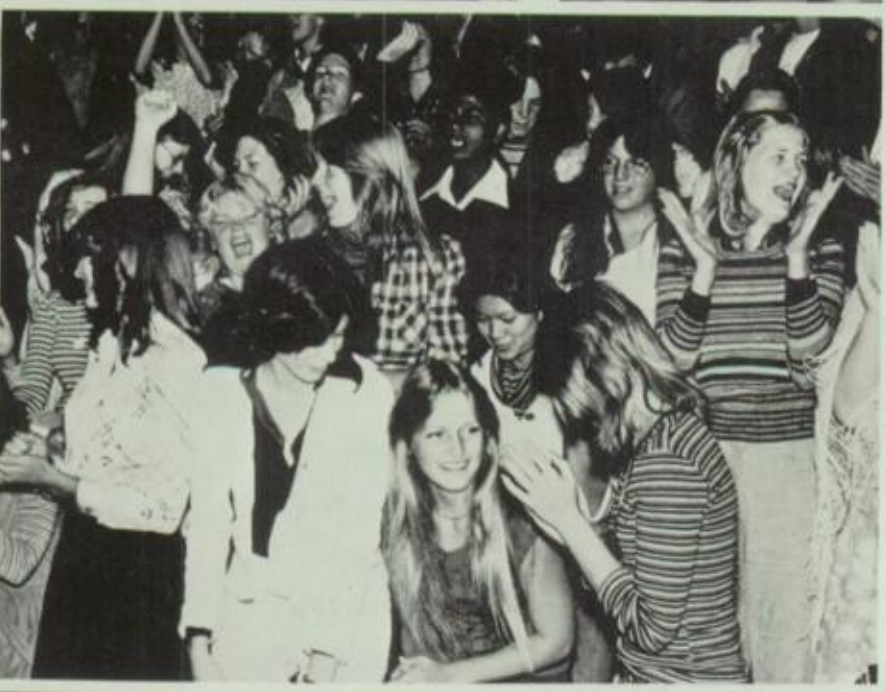

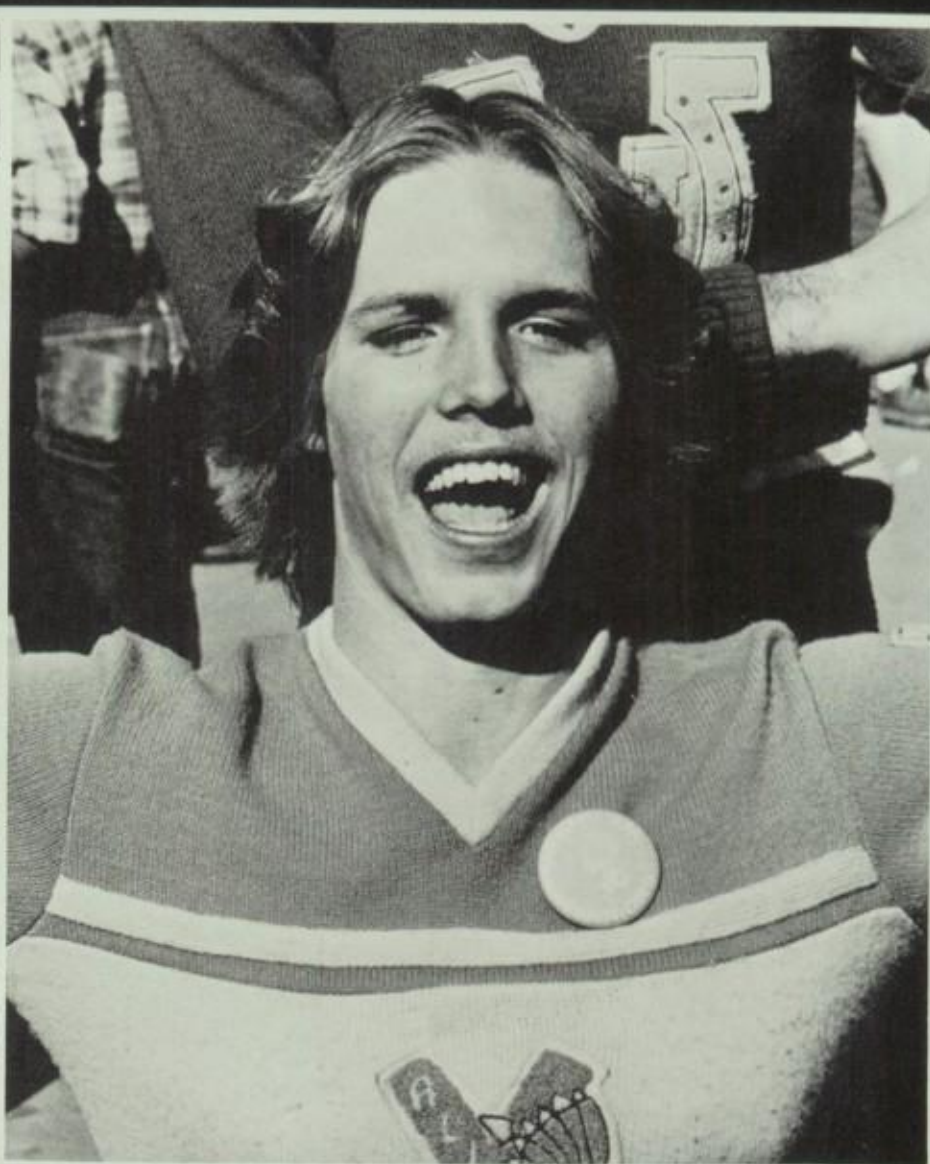

SENIOR PICNIC

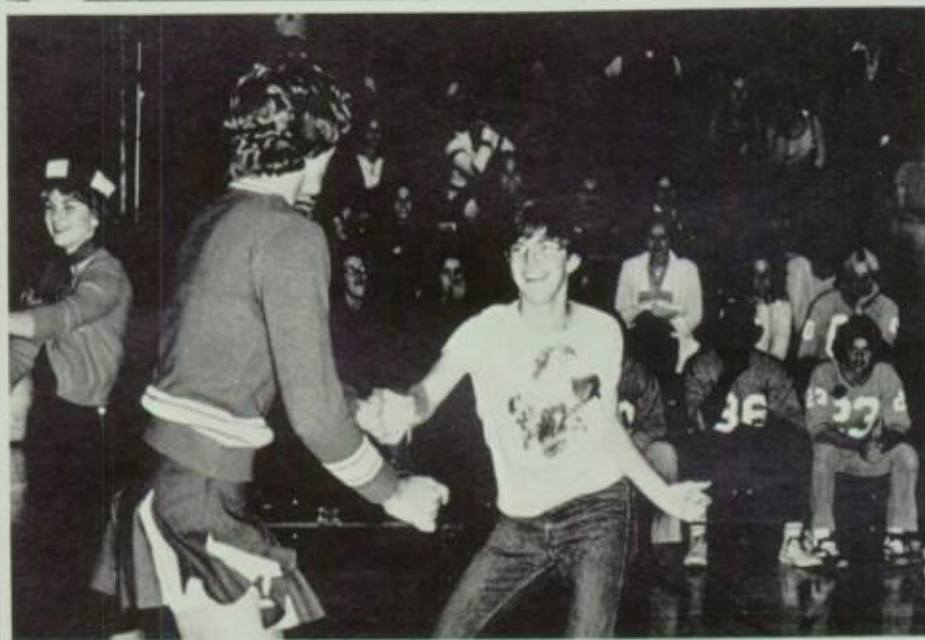

Sunshine, oak trees, hills, and not a care in the world; laughter, smiles and a sense of freedom to be ourselves. It was a perfect place for the 1978 Senior Class Picnic. Frisbee's, sack-races, the egg toss, and the giant ball, highlighted the activities for the day. The band played familiar tunes as we stuffed our faces with food, and the day rushed by. It was a day to make new friendships and renew old ones. The Senior Picnic was special and will not be forgotten by the Class of '78.

THE GAME

HALF TIME

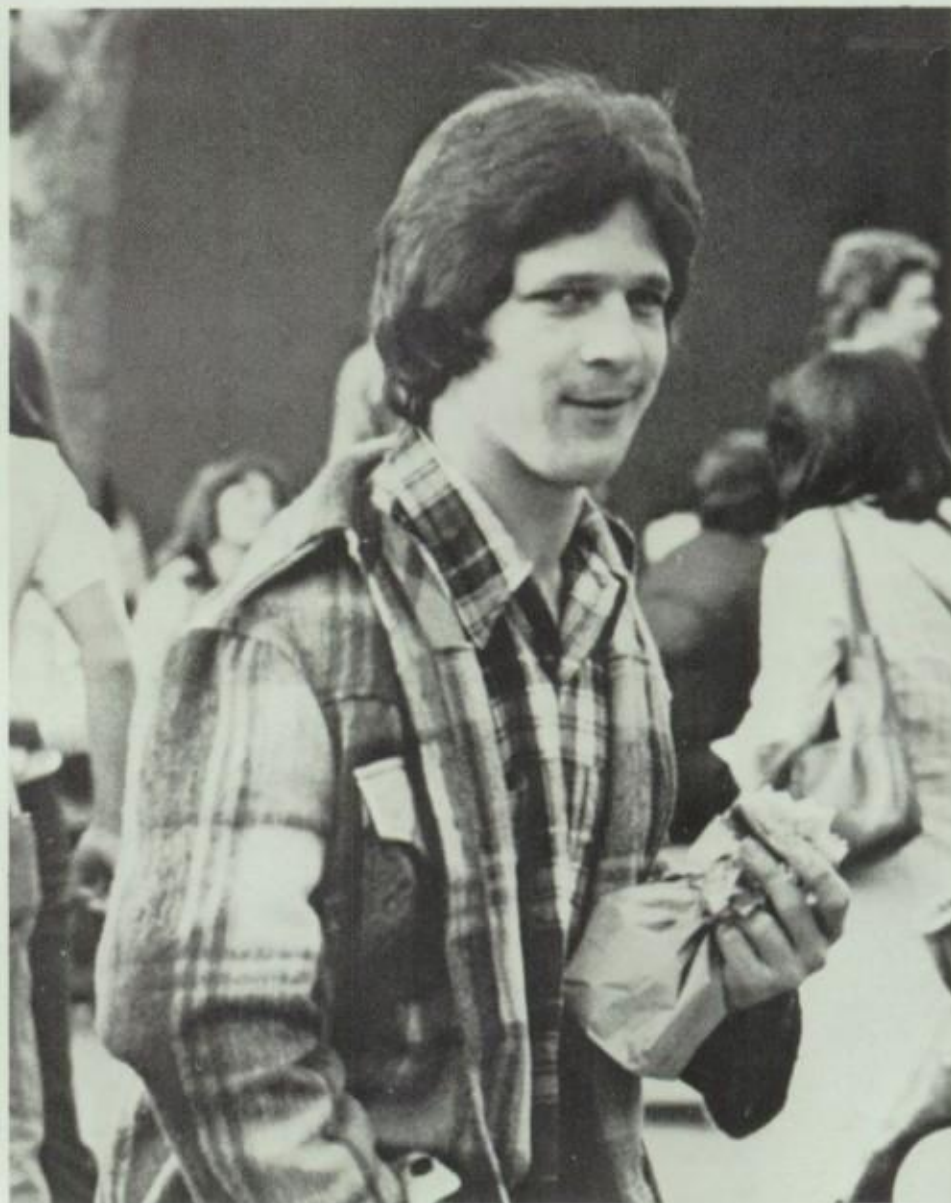

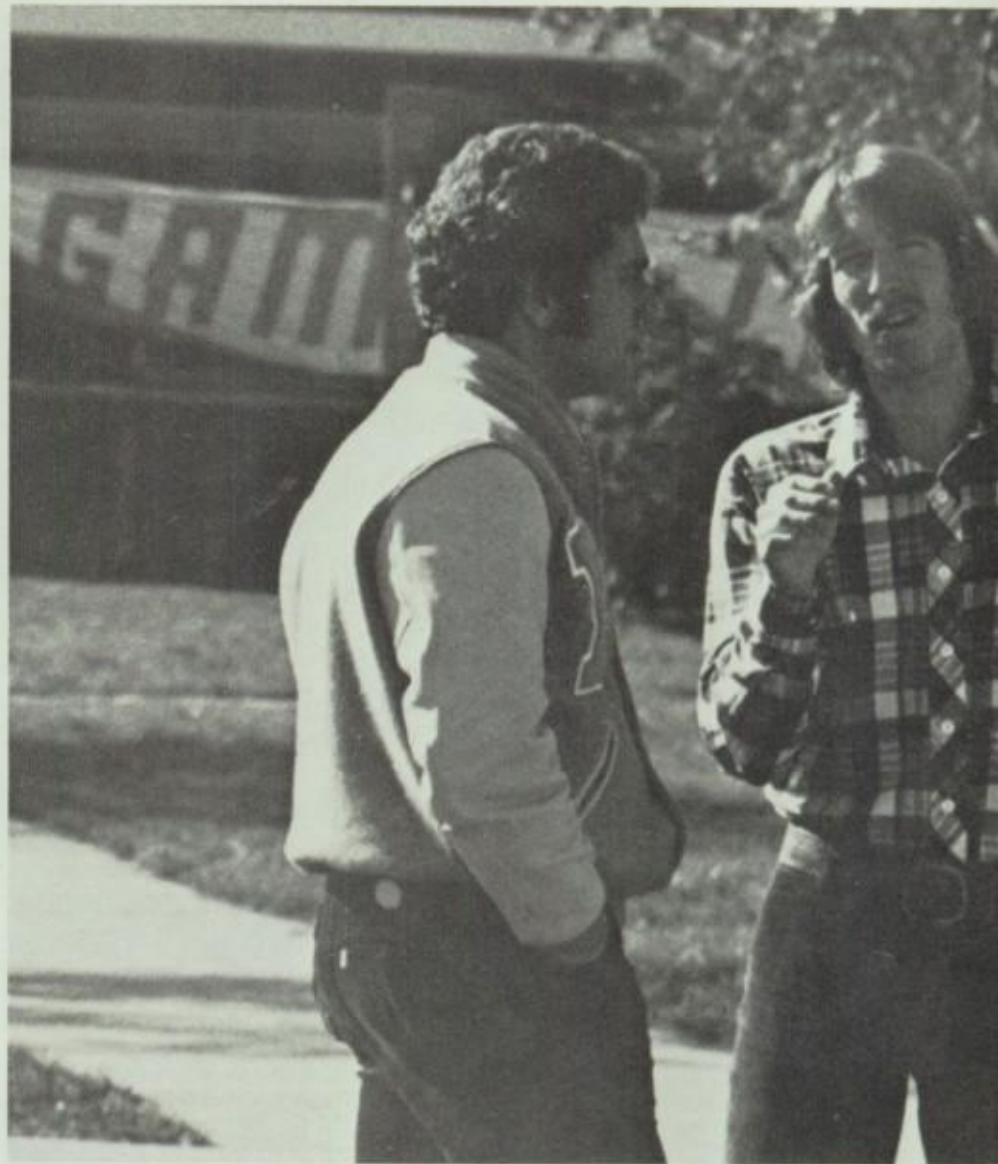

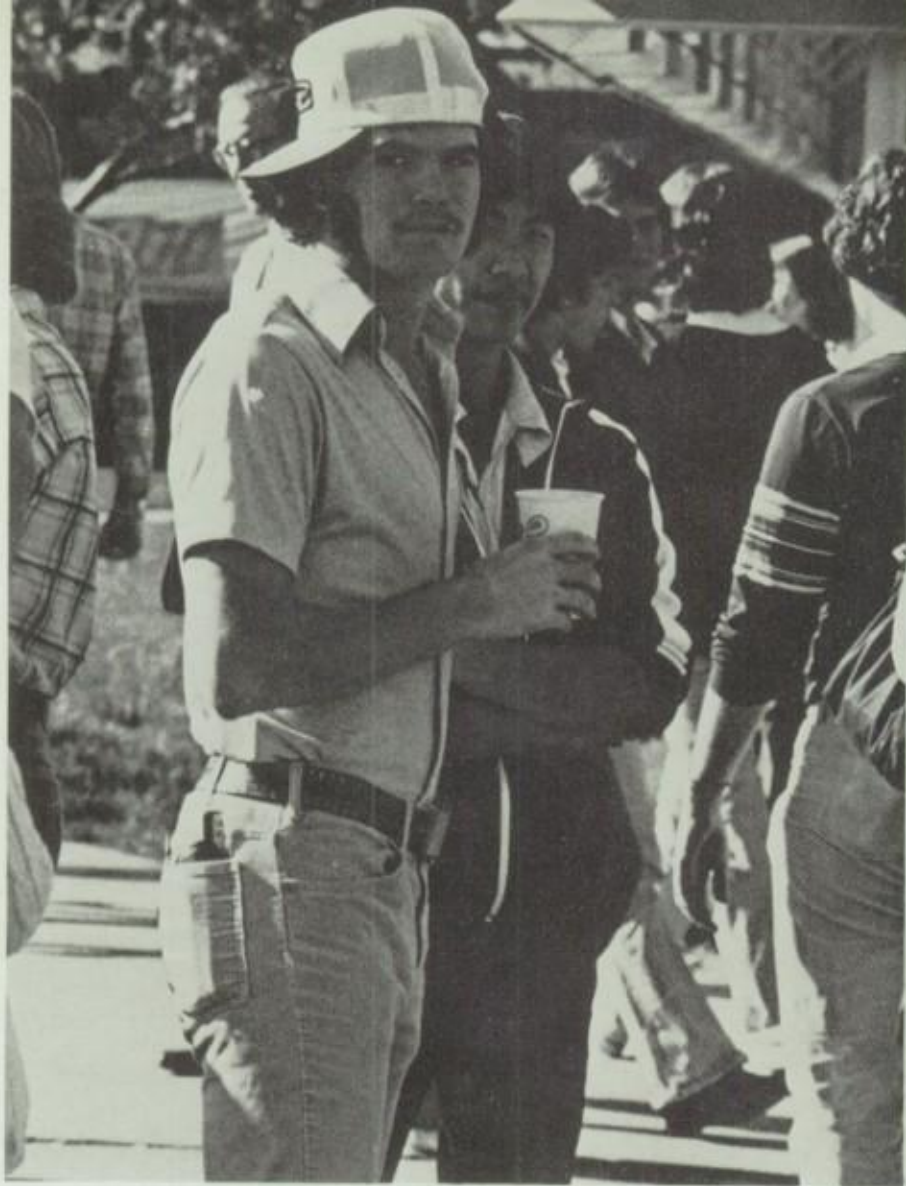

Dance, dance, dance. That's all everyone did on Friday November 11th at the homecoming dance, where Freeride and Starburst had everyone swinging. "My Eyes Adore You" was the theme for all the lovers that attended. Later eyes focused on Jon Challoner, the winning "Homecoming King." Tired feet walked out skipping to the beat.

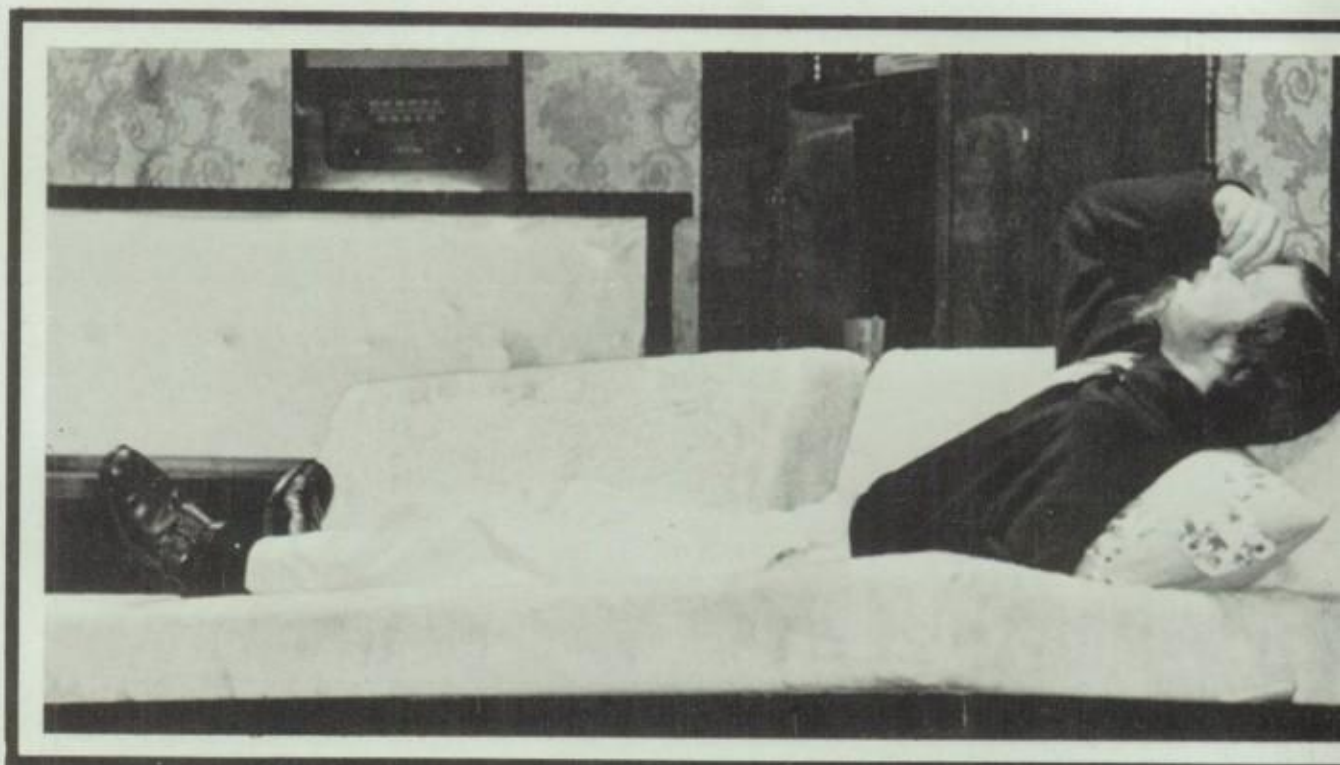

SENIOR BREAKFAST

The Pleasant Hill Rec center set the scene for the 1978 Senior class breakfast. The Madrigals, the senior picnic movie and good food highlighted the affair. Students enjoyed being served by the faculty. Christmas carols were led by Dr. Wutzke and Mr. Jordan-A good time not soon forgotten.

SENIOR BANQUET

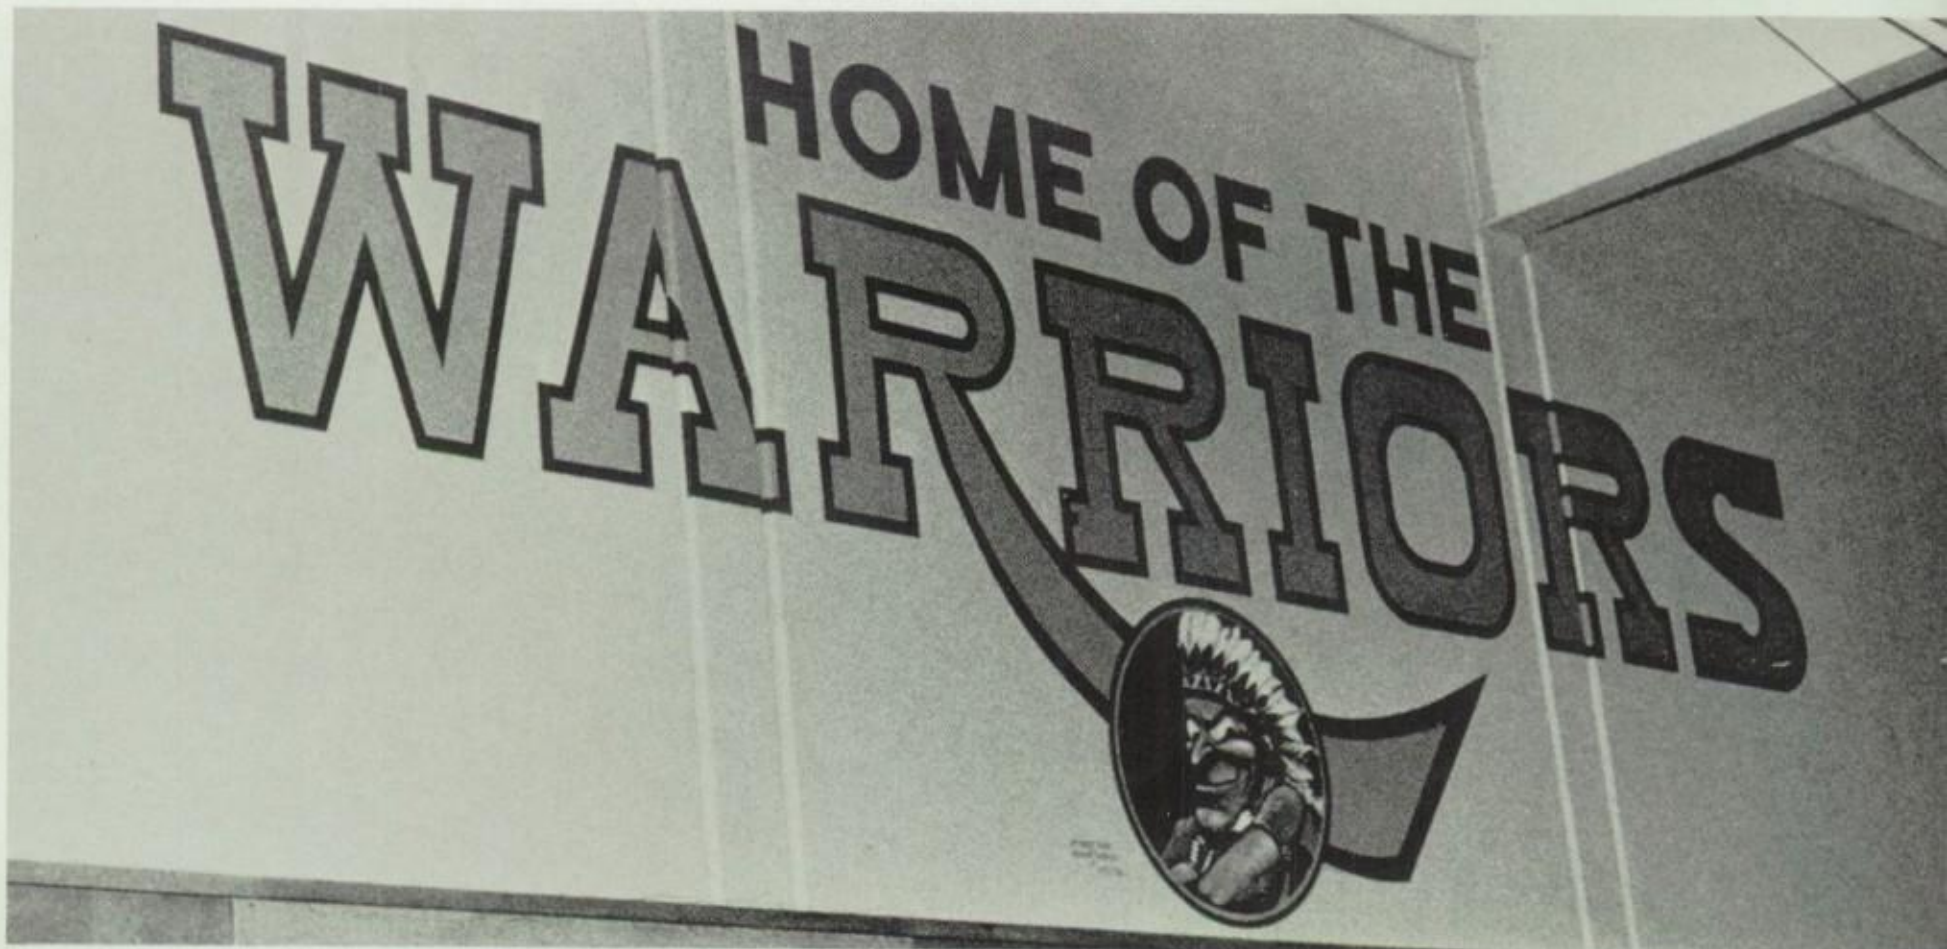

OUR MURAL

This year, in looking for a project that would bring a scene of spirit and pride in Ygnacio the Executive Board and Senior Service looked into many different ideas and suggestions. Finally, after much thinking and decision making we came up with the idea of having a mural painted in the gym. It was something that was different and would definately add something to the gym.

Scott Luke is the person responsible for the great work of art and design of the mural. It was our pleasure to dedicate this symbol of spirit and pride to a person who has always devoted much time and energy in making Ygnacio one of the best schools. We the students of Ygnacio are proud to dedicate this mural to our very first principal Dr. Ernest Wutzke.

GRADUATION DAY

Look upon this very day,
And let no sadness in your way.
For it is the beginning of life itself,
And will place upon you a sense of wealth.

In its brief course
Lie the cherished memories
Of the one, the only,
Ygnacio Valley.

The bliss of friendship,
The exhilaration of action,
The powers of achievement,
Are memories of four years well spent.

For yesterday is nothing more than a memory,
And tomorrow a vision,
But a today well lived
Will make every yesterday
A happy memory.
And every tomorrow,
A vision of immortality.

What we have done
Will not be lost to all eternity.
What we have done
Will remain in our memory.

Look well, therefore, upon this day:
For indeed we must,
Just today,
Say goodbye in many a way.

SCHOOL NEWS = SMOKE SIGNAL

Dear Kathryn -
 One of the advantages of leaving is that I won't miss you as much as I thought I would. It's been great having you here next year to the family. Best of luck in your new home and school. Keep in touch!
 "Wolk"

SMOKE SIGNAL STAFF Front Row: Craig Tanner, Jan Peters, Julie Rae-field, Guy Bjerke, Richard Harvey, Scott White. (Middle Row): Deanne Musolf, Lisa Hanson, Bobbi Terry, Karen Goldman, Dave Lerner, Rob Burke, Kurt Harms, John Alvarez. (Back Row): Adviser Daric Wolkenhauer, Brian Walsh, John Davis.

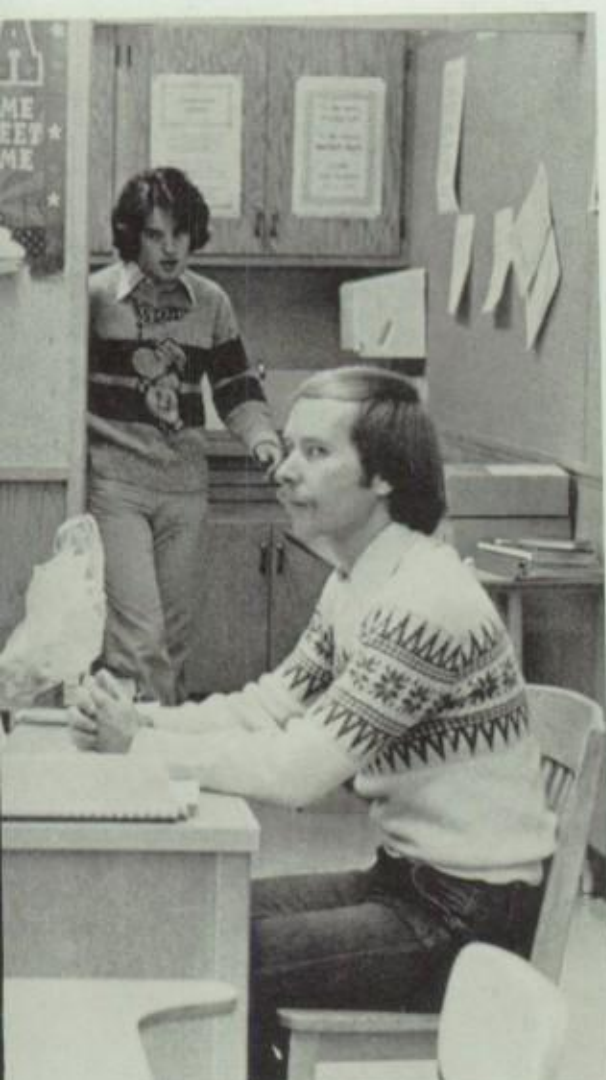

The 1977-78 Smoke Signal tried many changes, a new style, new techniques, and new editors at least once a week, before we finally got it right.

This year's paper has been the victim of, what I would call, inexperience and inconvenience. If foul-ups weren't being made through lack of experience, the staff would find itself cursed with one of the 5 different varieties of the flu, an assistant feature editor minus one finger tip, or broken typewriters and dried-up glue.

But through it all, and I mean "it all", the staff did manage to get the news out. And of that, I'm very proud.

Working on the 1978 Yearbook was truly an experience for me. Ahead was a giant task to be tackled by a few students. This seemed impossible yet we were determined. I thank all of the people who gave their understanding and time to help complete the book. I became more aware of the special people at Ygnacio Valley, looking through I hope you will also.

SENIOR SERVICE ORGANIZATION

Senior Service was created as a student organization to help other student, parent, and faculty organizations with their respective events. Every year S.S.O. assists with the previous years graduation ceremonies, freshman orientation, the distribution of report cards, schedules, and provides snacks at sporting events. This year, as in the previous fourteen years, S.S.O. has given financial support to orphans overseas. S.S.O. worked with Wentlings on our school pictures and helped arrange for the new mural in the gym. At Christmastime, S.S.O. helped with "Christmas by Candlelight" and had a party for the handicapped children at Wentlings. S.S.O. is simply a volunteer group made up of students giving of themselves to help others and our school.

Apology

You gave me your heart
like a polished apple
and being young
I bit into it,

Letting my teeth pierce the tight skin
deep into the flesh
while the juices
dripped down between
my fingers

forgive me.
It was delicious
and we were both
so young.

Don't walk in front of me
I may not follow
Don't walk behind me
I may not lead
Walk beside me
And just be my friend
